Reference Letter

REF: Student internship at Kazakhstan Resident Mission ADB

To Whom It May Concern,

This letter is to acknowledge that Adil Sultangazy, Nazarbayev University student, assisted me as an intern with data collection and analysis for policy challenge section of the flagship 2022 Asian Development Outlook (ADO) chapter on Kazakhstan, in the period from November 2021 to January 2022.

During the internship Adil compiled and analyzed the economic and environmental data on the ADO topic of carbon neutrality and sustainable development. As part of the internship project Adil conducted active desk research, consulted on the findings and observations. He delivered presentation and policy note on the issue of Kazakh economy decarbonization. Adil's attention to details and excellent research skills are highly commended.

If you have additional inquiries or follow up questions, please feel free to reach me out via email: grau@adb.org

Sincerely,

Genadiy Rau
Economics Officer
